

Other CREP Topics/Reminders

- Easement Boundaries: Want help determining Road ROWs, property ownership? Send .shp and other info to luke.L.anderson@state.mn.us
- Send any general title insurance questions to lucy.kozub@state.mn.us
- Send all recorded documents in with the title commitment.
- Make sure you have latest copy of deeds submitted with an application.
- Direct deposit of easement payment?
 - Can be done anytime but should be done prior to recording the easement if landowner wants to ensure easement payment is direct deposited.
 - If there is a situation with copayees, this may not be possible.
- Make sure entering correct CREP contract start & end dates in CREP workbook.

Altering Boundary After CRP-1 Approval

It is possible. Best addressed before CRP-1 approval

- Discuss with local partners to see if possible
- BWSR will review to see if alteration affects score
- Once processed, we will need a revised workbook and supporting federal documentation that state the revised acreage and payment submitted to us
- We can then proceed with easement acquisition (we will want a revised agreement once this has been sorted out)

Wetland Repairs & Native Revegetation

Wetland Restoration Repairs:

- Limited Funding Available
- Contact Terry Ragan, BWSR Engineering
- Sites prioritized by likelihood of structure failure and downstream concerns

Native Revegetation: \$150,000 available.

- Contact Tabor or John Voz
- Sites prioritized by proximity to other permanently protected lands, higher species diversity, pairing with other C/S, and likelihood of success

What Now?

- Continue marketing, making a list of interested landowners
- Continue working on existing funded applications
- Post RIM signs

Signage Importance

- All RIM easements are required to be properly signed
- If Farm Bill Assistance Staff worked on an easement, need to post a sign w/ Legacy Logo on the site
- If CREP Technician worked on an easement, need to also post an ENRTF sign on the site
- Contact Tabor Hoek, John Voz or Tim Fredbo if you need signs
- Buy posts and hardware, submit Reimbursement Request
