

## COOPERATIVE WEED MANAGEMENT FY '14 TECHNICAL ASSISTANCE OPTION REQUEST

(Period of July 1, 2013 through December 31, 2016)

The Cooperative Weed Management Areas program allows 20% of the grant funds to be used for administration and technical assistance. Briefly describe how funds will provide technical assistance for projects that will:

- Leverage other non-state funds and the projects would not otherwise be completed;  
or
- Be used on projects that are Cost-Share Program or EQIP eligible and their most recent Financial Report indicates less than an 18-month fund balance.

If you intend to use more than 20% of the grant funds for technical assistance you must complete the budget below and submit this form to your Board Conservationist for approval.

**SWCD:**
