

Minnesota Agricultural Water Quality Certification Program Promotion

BWSR Grant Profile

September 27, 2015

Grant Description

The Minnesota Agricultural Water Quality Certification Program (MAWQCP) Promotion grant funds are available to SWCDs to promote the certification program to producers. Eligible expenses under this grant include staff time, travel costs, and media expenses incurred in promoting the MAWQCP program. MAWQCP program details can be found at <http://www.mda.state.mn.us/awqcp>, and program questions should be directed to your MAWQCP Area Certification Specialist. Questions on eLINK reporting should be directed to your BWSR Board Conservationist.

Reporting Overview

Grant funds need to be spent by **May 31, 2016**. An interim report is required by **February 1, 2016**, and a final report is required by **June 30, 2016**. A workplan is not required. However, eLINK reporting should include expenses and actual results. Activities completed under this grant should be reportable under either the Administration/Coordination or Education/Information activity categories, and an estimate of Full Time Employees (FTEs) funded through this grant should be entered under Activity Rates and Hours.

Reports must include the number of MAWQCP producer applications submitted to the MAWQCP Area Certification Specialist. Reports may also include media activities, trainings attended, and staff time.
