1. Standard Banking encompasses all banking transactions excluding those related to the Local Government Road Wetland Replacement Program (LGRWRP) and Agricultural Banking. Similarly, Agricultural Banking excludes both Standard Banking and the LGRWRP.

2. BSA is the Bank Service Area

3. The average cost per credit is calculated using information voluntarily provided to BWSR on withdrawal transaction forms. It includes transactions completed between January 1, 2023, and December 31, 2023. BWSR does not verify any of the cost information provided on the withdrawal forms.
